## Membership Guidelines for Parents and Carers

**We would appreciate it if you could read through the guidelines and notes below and sign and return one copy to acknowledge your acceptance. Please keep the second copy for your reference. Whilst ESCAPE does everything within its power to research all aspects of its activities and outings including all Health and Safety issues, the following should be carefully noted.

- In order to ensure that ESCAPE continues to be welcomed everywhere, each individual parent/carer must be ultimately responsible for the care and behaviour of all persons within your family group (children or otherwise) whilst attending any activity or event, organised by ESCAPE. ESCAPE is unable to offer a child care facility during activities or outings therefore each and every child must be supervised at all times by the accompanying parent/carer. To date we maintain a high reputation for being a courteous and polite group and it is most important that we continue to uphold this tradition.
- It is your responsibility to always leave a tidy site. Please ensure you leave all modes of transport used and every place visited as you found it. ESCAPE cannot be held responsible for damage to property or items belonging to the various services upon whom we depend. Should an individual be in the unfortunate position to have accidentally caused damage, the onus is on that individual to declare that damage and, to the best of their ability, “put it right”.
- ESCAPE defines a family as 2 parents (or appointed carers) and the children within that family unit, who are the “members”, and so entitled to subsidised rates. In addition, families are able to invite two further family members or friends, at the subsidised rate, to join them on trips. Anyone wanting to request more than two extra places must first contact the office to discuss. Any additional people must pay the **full cost** of the trip, and their places are not guaranteed, due to members’ requirements taking precedence.
- All medical requirements related to a family member, and any first aid that may need to be administered, is the responsibility of the accompanying Parent/Carer.
- ESCAPE often needs photographs, video footage, comments and quotes of and by its members. These help us to secure funding and to help promote a positive image of ESCAPE in the media. We would like to make it clear that we fully accept all individuals’ rights to privacy and therefore should you wish us not to use photos/quotes etc please clearly strike through this paragraph.
- Due to circumstances beyond our control there may be occasions when our activities and outings may have number restrictions, be altered or withdrawn without prior notification.
- Our Equal Opportunity Policy and Child Protection Policy can be viewed upon request.
